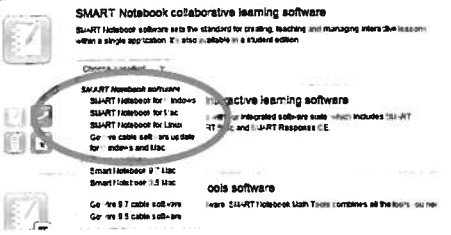
SMART NOTEBOOK SOFTWARE DOWNLOAD

Please note: Both students and teachers are able to download the notebook software for personal use on their home computer/laptop.

1) Visit the website below.

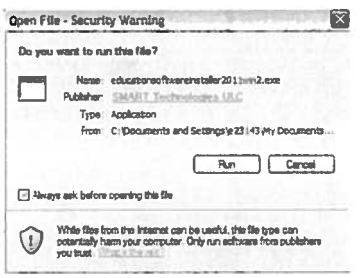
http://smarttech.com/downloads

2) Select **'Choose a version'** and then **'SMART Notebook for your operating system'**.

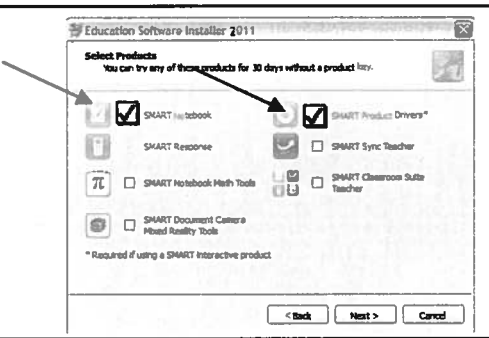


3) Select **'Yes'**, fill out the appropriate information and then select **'Start Download'** (blue box).

4) First choose **'Save'** and then choose **'Run'**



5) Within the next options, choose next, accept terms, and check "SMART Notebook and "SMART Product Drivers".



6) Once the software is installed you will be prompted for a product key or activation code.

The OCSB product key code is: **NB-AEDA2-C2N37-7TGP7-ISBAP**

SOFTWARE UPDATES/SUPPORT

Open SMART Notebook software and choose the **'Help'** menu then **'Check for Updates'** and Click on **'Update'** button.

SMART Technologies Phone Support (Open 8am-8pm weekdays) - **1(888) 42 SMART**
